

There are some great tracks through the reserve.
 They're wide and are either fine gravel or a boardwalk so you can take comfortably take a buggy with large wheels on them.
 They take you to Pautahanui's bird viewing hides.

PLEASE TAKE CARE

Scan this code to have this map with you on your walk

- Keep to the tracks
- Close the gates
- Shut the hides
- Do not disturb the birds
- Do not remove plants or animals
- Take away all litter
