

April 2022

Kia ora koutou

We are looking forward to a **talk on New Zealand's Subantarctic Islands**; this will coincide with our **Branch AGM**, which we hope you can attend. **We're looking for volunteers** for a range of roles – introduced below.

We also share updates on **Puketahā the proposed Wainuiomata Ecosanctuary** that could get Budget 2022 funding with your input, **a webinar on cat management** presented by Predator Free New Zealand Trust Chief Executive Jessi Morgan, a chance to have your say on **the future of the Southern Landfill**, an article on the pest plant **Japanese Honeysuckle**, the latest **Places for Penguins newsletter**, and the **2022 City Nature Challenge**.
