

**AUGUST 2022**

## **Kia ora koutou**

We're halfway through 2022 and have lots of local conservation news for you in this edition including:

- Our next event about Old Man's Beard
- A profile of our new Branch Chair Kate Littin
- A member survey for you to take part in
- A call for frog vigilance from DOC and MPI
- Recapping our last event on Myrtle Rust
- Some tips for reducing your landfill contributions
- An opportunity to be more involved with Bird of the Year

We are looking forward to getting out and doing more mahi as the days get warmer and lighter again!
